

Seaforth Agricultural Society

Craft & Toy Show & Sale 2021

Dear Valued Vendor,

We have decided to go forward with our 2021 Show on Saturday, November 27 and Sunday, November 28, 2021. We are asking for your input on this decision. We will be following all Covid Pandemic Protocols as outlined by our Huron-Perth Health Unit at that time. These rules may change by that date but at this time -they require all vendors, volunteers and customers to show photo ID and proof of being double vaccinated (or provide Doctor's note of exemption), be screened for Covid symptoms on arrival, wear face covering and follow social distancing while at the show. Our setup will be changed from previous years with wider aisles, more space between vendors, directional signs for traffic, reduced capacity for the event space and changes to our dining area. (If we have a considerable number not participating we may decide to only use Agriplex for this year).

We would like you to reply if you are interested in participating in year's Show by September 22. After that date we will then send out the Registration Forms and further details. We understand if you choose not to come and we would keep your name on file for next year's invitations. These are trying times and we respect your decision if you choose to skip this year.

We look forward to hearing from you. We would also appreciate any suggestions you may have to make 2021 a successful event.

Sincerely,

Lyle Haney and

Joanne Maloney Flanagan

(Co-ordinators)
